THIS NOTICE DESCRIBES HOW MEDICAL INFORMATION ABOUT YOU MAY BE USED AND DISCLOSED AND HOW YOU CAN GET ACCESS TO THIS INFORMATION. PLEASE REVIEW IT CAREFULLY.

At **Sav-Mor Franchising, Inc.**, we're committed to providing quality customer service and keeping you informed. At this time, we want to tell you about a federal requirement for privacy and security. The U.S. Department of Health and Human Services set standards for ensuring the privacy and security of personal health information (PHI). These regulations went into effect on April 14, 2003 and April 21, 2005. We are committed to keeping your health care information confidential.

You have the following rights with respect to Protected Health Information (PHI) about you:

- ***You may obtain a paper copy of this notice upon request at any time.*** To obtain a paper copy, contact the store Privacy Officer at: **(248) 348-1570**.
- ***You may request a restriction on certain uses and disclosures of PHI.*** You have the right to request a restriction on uses or disclosure of your PHI. This means you may ask us not to use or disclose any part of your protected health information for the purposes of treatment, payment, or healthcare operations, unless where required by law, State, or Federal program. However, if this restriction impedes the payment process, you are responsible for paying for the service in full at the time services are rendered. If your out-of-pocket payment for a health care item is not honored (i.e. check bounces), then we are not obligated to abide by the requested restriction. Send a written request including: (a) The information to be restricted, (b) what kind of restriction you are requesting, and (c) to whom the limits apply to the store Privacy Officer at: . We are not, however, required to agree to those restrictions. If the pharmacist believes it is in your best interest to permit use and disclosure of your PHI, your PHI will not be restricted.
- ***You may inspect and obtain a copy of your PHI.*** You have the right to access and have copies made of the PHI about you contained in a designated record set for as long as we maintain the PHI. The designated record set will usually include prescription and billing records. To inspect or request copies of PHI about you, you must send a written request to the store Privacy Officer at: . We may charge you a fee for the costs of copying, mailing, labor and supplies that are necessary to fulfill your request. We may deny your request to inspect and copy in certain limited circumstances. If you are denied access to PHI about you, you may request that the denial be reviewed. You may also request an electronic, "machine-readable" copy of your PHI. If you decline to accept any of the electronic formats that are readily producible, you will be provided with a hard copy.
- ***You may request an amendment of your PHI.*** If you feel the PHI we maintain about you is incomplete or incorrect, you may request that we amend it. You may request this as long as we maintain the PHI. To request an amendment, send a written request to the store Privacy Officer at: . You must include a reason that supports your request. In certain cases, we may deny your request for amendment. If we deny your request for amendment, you have the right to file a statement of disagreement with the decision and we may give a rebuttal to your statement.
- ***You may receive an accounting of disclosures of your PHI.*** You have the right to request an accounting of most disclosures made after April 14, 2003 (other than those relating to treatment,

payment, or health care operation). The accounting will exclude certain disclosures, such as disclosures made directly to you, disclosures you authorize, disclosures to family members or friends involved in your care, and disclosures for notification purposes. The right to receive an accounting of disclosures is subject to certain other exceptions, restrictions, and limitations. To request an accounting, submit a written request to the store Privacy Officer at: . Your request must specify the time period, but may not be longer than six years. The first accounting you request within a 12 month period will be provided free of charge, but you may be charged for the cost of providing additional accountings. We will notify you of the cost involved and you may choose to withdraw or modify your request at that time.

- ***You may request PHI communication by alternative mean or alternative locations.*** For instance, you may request that we contact you about medical matters in writing or at a different address or post office box.
